RE: Application of Antioch Educational Center for a Class A (Restricted) Certificate
of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No: **2021-30-T**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above referenced docket. ORS reviewed the Application and filings made by the Applicant in this docket. Should the Applicant prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Statutes, Regulations and any conditions of the Commission Order prior to the issuance of such Certificate.

The applicant must satisfy the following compliance requirements to have their Class A Restricted Certificate issued by ORS.

1. Proof of Insurance (Form E)
2. Proof of a passed Safety Audit performed by the SC State Transport Police (STP)
3. License Fees paid for each vehicle

As in other passenger carrier applications, the applicant has 90 days from the date of the Order to come into compliance prior to issuance of a certificate. ORS does not intend to participate in the hearing in the matter pursuant to § 58-4-50 (10).

Thank you for your consideration of this matter.

Sincerely,

/s/ C. Lessie Hammonds
